INKA OVEN

Our steaks & burgers are cooked in a charcoal oven which cooks food like a "closed barbecue" resulting in a seared outer layer & smokey flavours.

Game dishes may contain shot & even filleted items may contain bones. We don't list all ingredients so please inform us of allergies/ dislikes before ordering. If your allergy is severe, please bear in mind that allergens are used extensively in our kitchen & we cannot guarantee against cross contamination. Some vegetarian items may still contain animal derived products.
